Venture Hub

Leading Business Networking & Development
in Gwent

- **Weekly Networking (zoom)**
- **One Person per Specialism**
- **Monthly face to face**

About

The Venture Hub is a new proactive networking group for owners and directors of service based businesses based in Gwent. Membership is by invitation, recommendation or application, with one place per specialism. The group meets weekly on Fridays at 9.30am for a power hour of business support & connections with (three times a month on zoom and once a month on location).

The purpose of the group is to build trust based, synergistic working relationships that generate business opportunities including referrals, introductions and sharing of expertise, experience and local knowledge.

Meetings are professionally facilitated, friendly and informal with a focus on your business growth. We vary the format to keep things fresh: raise your business profile and communicate what you're looking for in your pitch, get one-to-one appointments, participate in breakout groups and masterminds and hear from hot topic biztalk speakers... plus more!

The group is powered by established networking events organisation, Zokit, which operate multiple hubs spanning South Wales.
